Special requests for stage or					

**Conditions of Permit:** Authorized City officials may determine inappropriate language or noise levels that may disrupt other park use or residential areas and have the authority to decrease or discontinue amplified sound. The City of Salina has the discretion to require paid staff to monitor activities during any reservation of the Jerry Ivey Gazebo. If so required, the sponsoring organization shall be charged a fee to reimburse the City for costs incurred during that time. The City of Salina requires that "No Glass Bottles" be displayed in advertisements, posters, etc., for those events where alcohol may be present. I understand this event is subject to all codes of the City of Salina and Parks & Recreation rules and regulations and that I agree to all conditions and information stated in this permit. Failure to comply may result in revocation of Gazebo Use Permit.
